OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL MYSORE

Dated 30th November 1935

Chief Sec 4 DEC 1935

A SREENIVASAN Esq BA
PRESIDENT CITY MUNICIPAL COUNCIL
MYSORE

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Sir,

With reference to your letter No L 8963/M1 235-33-2 dated 27-6-1934 conveying the approval of Government for the adoption of the signals proposed in the case of public conveyances, I have the honour to state that the Municipal Council at their meeting held on 22-12-34 approved of the resolution of the Legal Committee proposing additions to Rule 13 of Section 4 of the Public Conveyance Regulation and also to Clause (iii) under Rule 6 of Chapter XXVI of the Mysore City Municipal Rules and Bye-laws The new rules were published in the Mysore Gazette dated 17th January 1935 with a notice inviting objections or suggestions in regard to the proposals of the Council The proposals were finally approved by the Council at their meeting held on 30-3-35, no objections or suggestions having been received

In respect of Sub-rule (ix)(a) under the Public Conveyance Regulation, it was subsequently noticed that the additional rule framed did not effectively bring out the desired intention of the Council in insisting that only one particular sound signal should be used in respect of each particular type of conveyance which alone could dispel the present confusion of signals The new additional rule required the fixing of a big-bell to a Jutka, Tonga or to any two or four wheeled spring carriages but it did not prohibit the use of any other sound signalling apparatus like a horn or a siren in addition to the big bell It was therefore considered necessary further to amend the draft rule suitably

The Legal Committee recommended to the Council the adoption of the Sub-rule (ix)(a) as further amended by them and the Council at their

meeting held on 27-7-1935 approved of the resolution of the Legal Committee The Council finally approved of the new additional rule at their meeting held on 15-11-1935, no objections having been received in respect of the notice published in the Mysore Gazette dated 5-9-1935

In the circumstances, I request the favour of sanction o Government being accorded to the draft Sub-rule (ix)(a) framed under Rule 13 of the Rules framed under Section 4 of the Public Conveyance Regulation and also to the draft clause (iii)(a) framed under Rule 6 of Chapter XXVII of the Mysore City Municipa Rules and Bye-laws

Copies of the Resolutions of the Council together with printed copies of the notice published in the Gazette are enclosed herewith

I have the honour to be,

Sir,

Your most obedient servant,

President
